AWS / Azure Solution Architect– Advisory Services
subcontract consulting opportunities for clients of Coreio

PLEASE NOTE THIS IS NOT A JOB POSTING. WE ARE SEEKING CANDIDATES FOR GENERAL ONBOARDING TO OUR SUBCONTRACT CONSULTING BENCH. WE ARE NOT A PLACEMENT AGENCY.

Company Overview

Coreio Inc. is a leading Toronto-based IT services provider that delivers IT Infrastructure and Operations solutions for enterprise-scale companies across North America. We build on our 35-plus year history as a strategic partner, and apply our experience as in-house IT experts, to help our clients solve complex business and technology issues, so they can focus on what they do best.

At Coreio, we have gathered some of the brightest and most experienced minds in the area of Infrastructure and Operations. Working closely with our clients, we produce practical business solutions that combine client knowledge, Coreio experience and industry good practice. For large and complex organizations, IT Infrastructure and Operations (I&O) is mission critical to support business objectives and deliver value. We work in close collaboration with our clients and strive to provide trusted advice and support that both complements and leverages their knowledge and experience. Where applicable, we employ industry standard best practices which help to ensure we provide optimized solutions, policies and procedures that are consistent with the best in class and have a proven record of delivering maximum effectiveness.
